

RESOLUTION NO. 2022-1

A RESOLUTION EXPRESSING THE WILLINGNESS OF  
MILLER COUNTY  
TO PARTNER WITH THE ARKANSAS DEPARTMENT OF TRANSPORTATION  
FOR THE FOLLOWING PROJECT:

Miller County Road 290 RR Signals  
Railway-Highway Crossing Improvement

WHEREAS, The Railway-Highway Crossings Program (RHCP) provides funds for the elimination of hazards at railway-highway crossings; and

WHEREAS, the Arkansas Department of Transportation (Department) has identified the Union Pacific Railroad crossing at County Road 290 in Miller County to be a candidate to receive RHCP funding based upon its hazard rating as compared to similar railway-highway crossings throughout the state; and

WHEREAS, an on-site diagnostic meeting was conducted on February 12, 2020 and identified needed safety improvements; and

WHEREAS, the Federal Highway Administration limits the Federal share of funding for RHCP projects to 90 percent of the total project cost, thus necessitating a 10 percent share provided by the local roadway authority; and

WHEREAS, the Department requests that the roadway authority indicates its willingness to provide the required matching funds in order to obtain Arkansas Highway Commission authorization to program a Federal-aid project.

NOW THEREFORE, BE IT RESOLVED BY MILLER COUNTY THAT:

SECTION I: Miller County will participate in accordance with its designated responsibilities in this project.

SECTION II: The County Judge or their designated representative is hereby authorized and directed to execute all appropriate agreements and contracts necessary to expedite the development and construction of the project.

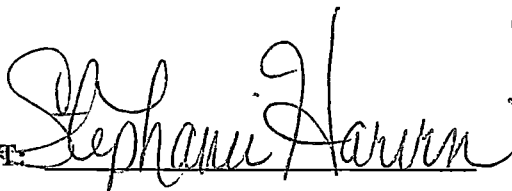

SECTION III: Miller County indicates its willingness to proceed with the project and hereby proposes that the Department initiate action to implement these improvements.

THIS RESOLUTION adopted this 14th day of March, 2022
